Sub deltoides (2)

Antero axilar - retro axilar

—— Dorso de la mano (2)

A silhouette of a man and a young child standing on a beach, looking out at the ocean during sunset. The man is on the right, and the child is on the left, with the man's hand resting on the child's shoulder. The sky is filled with soft, golden clouds, and the water reflects the light. The overall mood is peaceful and contemplative.

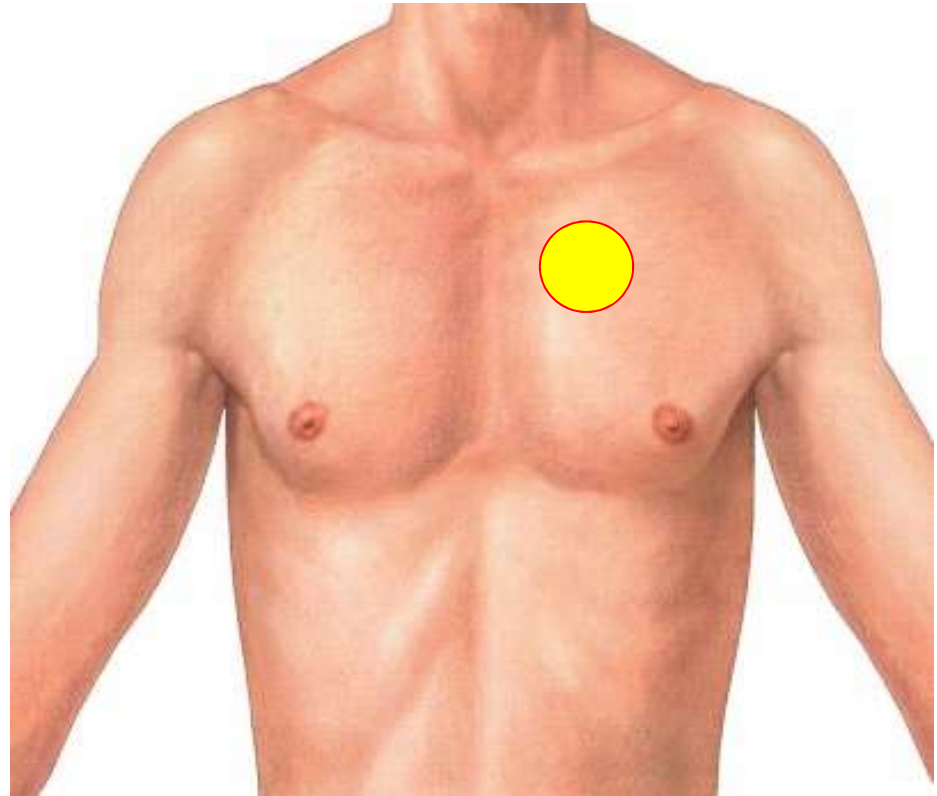

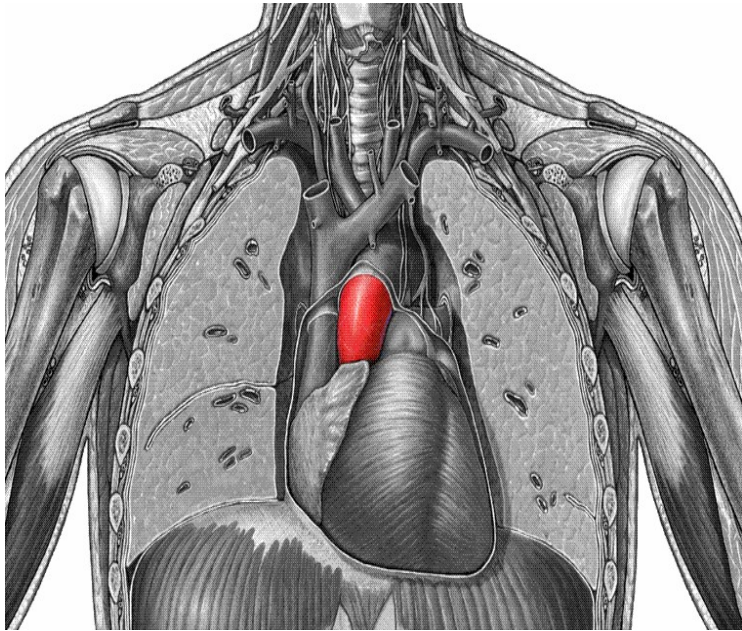

Si usted quiere
que sus hijos tengan los pies
sobre la tierra, colóqueles alguna
responsabilidad sobre los hombros
